

Gehl's INSPIRE YOUR MENU

HOW ARE YOU PUDDING?

As the saying goes, "the proof is in the pudding". In our case, that's pure and nutritious pudding made with real milk and wholesome ingredients for great-tasting desserts and snacks. Our pudding is aseptically packaged and ready-to-eat. Every decadent bite captures that classic taste your customers crave.

Serve Gehl's Puddings with whipped cream and other tasty mix-ins, or use as an ingredient in fruit parfaits. Easy Peezy, just take our Gehl's Vanilla pudding add lime juice, lime zest and some crushed graham crackers and voila, you have a key lime pie parfait! Or if you are the strawberry lover, use the vanilla pudding and add strawberry syrup, and a few sliced strawberries, then finish with chocolate cookies to make a strawberry vanilla parfait. If you prefer chocolate, one of our favorites is our chocolate peanut butter parfaits. You can create this with our Gehl's chocolate pudding, add peanut butter sauce, crushed Oreos, and top with butterfinger pieces!
